STATEMENT OF PROBABLE CAUSE  
(For issuance of an arrest warrant or summons)

I state that on August 15, 2013 while exercising my duties as a law enforcement officer in the Middle District of Maryland.

Within the boundaries of Delaware Water Gap NRA.

At approximately 1305 hours I observed a red pickup truck bearing NY Plate # FBE 8429 Northbound on Route 209 at MW 12, Delaware Water Gap NRA. Dispatch initially received a report that the vehicle was driving in the emergency roadway and nearly hit a roadway flagger.

observed this vehicle unable to maintain its lane of travel, leaving the roadway entirely and driving on the road shoulder three times and entering the emergency roadway three times for significant periods of time. I times at a distance of 1 mile. I attempted to stop the vehicle before MW 13, only to have the vehicle travel an additional 4 miles with my lights and siren activated, still not acknowledging the time of travel. When the vehicle entered the emergency roadway lane, it caused emergency traffic to have to stop away from this vehicle in its lane. I contacted the driver of the vehicle Christine Adame as identified by her NY ID # 693659937.

ADAME initially stated that she had no memory of the incident and that she was driving home to a hospital. When that was found to be false, she stated she was a police officer. When that was also found to be false, she was also found to be a police officer. She was also found to be a police officer. She was also found to be a police officer.

As a result of the vehicle's erratic driving, she was taken to a hospital to be with her. Her grandmother ultimately placed her up when released and had her released to her. Attached find probable cause and was unable to maintain her balance outside of her vehicle. She was shaking and unable to satisfactorily complete standardized field sobriety tests. These tests indicated that she was impaired by a substance other than alcohol. ADAME received citations for 36 CFR 4.23(a)(1) Out-of-control of Safe Operation, 36 CFR 4.22(b)(3) Unsafe Operation, 36 CFR 4.24, Title 36 Section 570001, Roadside Operation and 36 CFR 2.32(a)(3) Possessing False Information.

STATEMENT OF PROBABLE CAUSE  
(For issuance of an arrest warrant or summons)

I state that on August 15, 2013, I was exercising my duties as a law enforcement officer in the Middle District of Pennsylvania.

Within the boundaries of Delaware Water Gap NRA

At approximately 1:00 hours, I observed a red 2009 Ford F150 bearing NY Plate # 6EP 4420 Northbound on Route 209 at MM 12, Delaware Water Gap NRA. I stopped the vehicle and issued a citation for reckless operation of a motor vehicle, 75 Pa.C.S. § 3736(a). I observed the vehicle unable to maintain its lane of travel, leaving the roadway entirely and driving on the road shoulder three times and crossing the opposing traffic lane for significant periods of time three times, a distance of 2.5 miles. I attempted to stop the vehicle before MM 13 only to have the vehicle travel an additional 4 miles with my lights and siren activated, with no maintaining the lane of travel. When the vehicle stopped, the driver, Christine Adams, advised me that she had no recollection of the incident. I contacted the driver of the vehicle, Christine Adams, to determine if she was the driver of the vehicle and she was driving her to a hospital. When that was found to be false, she stated she was working undercover for a police department, which was also found to be false. She also made false statements about vehicle contents (purported to contain a medical kit, a handgun, which was also found to be false). She also made false statements that her grandmother was living and she needed to go to a hospital to be with her. (Her grandmother ultimately picked her up when her father was not to be reached). Adams' true purpose for the stop was to maintain her balance outside of her vehicle. She was shaking and unable to satisfactorily complete Standardized Field Sobriety Tests. These test results were impaired by a substance other than alcohol. ADAMS received citations for 36 CFR 4.22(a)(1) (OWI - Inoperative of Safe Operation, 36 CFR 4.22(b)(3) Unsafe Operation, 36 CFR 4.22(c) 75 Pa.C.S. § 3736 - Reckless Operation and 36 CFR 4.22(a)(1) Providing False Information.

The foregoing statement is based upon:

A. my personal observation  
B. my personal investigation  
C. information supplied to me from my fellow officer's observation  
D. other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this citation is true and correct to the best of my knowledge.

I state that on August 15, 2013 while exercising my duties as a  
law enforcement officer in the Middle District of Pennsylvania

## Within the boundaries of Delaware Water Gap NRA

At approximately 1300 hours I observed a red Toyota Thruway van, NY Plate #EP 4429 Northbound on Route 202 at ADALTA, Delaware Water Gap N.Y. Dispatch initially received a report that this vehicle was driving in the crossing traffic lane and nearly hit a passing truck. I observed this vehicle unable to maintain its lane of travel, leaving the roadway early and driving on the road shoulder three times and entering the crossing traffic lane for significant periods of time from times in a distance of 3 miles. I attempted to stop the vehicle before ADALTA only to have the vehicle travel an additional 4 miles with tire lights and severe swaybars, and tire rubbing during the time of travel. When the vehicle entered the crossing traffic lane, it caused an oncoming traffic to have to veer away from this vehicle in its lane. I contacted the driver of the vehicle Christine ADALTA as identified by her NY Ct # 659088937. ADALTA initially stated that the last assistance was having a medical emergency and she was driving him to a hospital. When that was found to be false, she stated she was a police officer. When that was found to be false, she stated she was working undercover for a police department, which was also found to be false. She also stated that passengers about vehicle equipment (gunpowder containers and candy so with all statements that her grandmother was dying and she needed to go to a hospital to be with her. (Her grandmother ultimately picked her up when refused and had no medical issues, ADALTA had pregnant pupils and was unable to maintain her balance, unable to get vehicle. She was shaking and unable to satisfactorily complete Standardized Field Sobriety Tests. I was then notified that she impaired by a substance other than alcohol. ADALTA received citations for 36 CDR 4.23(a)(1) OUI- Inoperative of Safe Operation, 36 CDR 4.22(b)(3) Unsafe Operation, 36 CDR 4.21, 175 Title 17 Section 319a- Roadblock Operation and 36 CDR 2.2. Dispatch initially received a report that this vehicle was driving in the wrong direction of travel and was observed to be in the wrong direction of travel.

Observed this vehicle unable to maintain its lane of travel, leaving the roadway entirely and driving on the road shoulder three times and entering the surrounding traffic lane for significant periods of time for a total of 13 miles. I attempted to stop the vehicle before MM12 13 only to have the vehicle travel an additional 4 miles with my lights and siren activated, still not understanding the law of travel. When the vehicle entered the oncoming traffic lane, it caused oncoming traffic to have to veer away from this vehicle in its lane. I contacted the driver of the vehicle Christine Adams who was identified by her NY ID # 42306097.

ADAMS initially stated that she had no recollection of having a medical emergency and she was driving him to a hospital. When that was found to be false, she stated she was a police officer. When that was also found to be false she stated she was working undercover for a police department, which was also found to be false. She also stated (816) 360-0000 about vehicle concerns (transport cocaine and money) as well as statements that her grandmother was dying and she needed to go to a hospital to be with her. (The grandmother ultimately picked her up when released and had no medical issues). ADAMS had prominent purple and was unable to distinguish her license outside of her vehicle. She was shaking and unable to satisfactorily complete Standardized Field

Sobering Tests. There was testimony that she was injured by a motorcycle other than herself. ADAMS received citations for 36 CFR 4.22(a)(1) 011 - Inoperative of State Operation, 36 CFR 4.22(b)(3) Unsafe Operation, 36 CFR 4.2 - Fire-Extinguisher 3730w - Recreational Operation and 36 CFR 4.23(a)(3) Providing False Information.

STATEMENT OF PROBABLE CAUSE  
(For issuance of an arrest warrant or summons)

I state that on October 24, 2013, while exercising my duties as a law enforcement officer in the Middle District of Penn.

Within the boundaries of Delaware Water Gap MPA, I received a report that a vehicle was driving erratically south bound on route 209 and had nearly caused several collisions. Dispatch stated the vehicle was a red 2009 Hyundai Tucson bearing NY Plate # FPP 8429. I observed a vehicle matching this description south bound on Route 209 at MM12. I observed that this vehicle was traveling at a high rate of speed which I estimated to be 50 mph in the posted 35 mph zone. My vehicle's radar unit, a Kustom Signals Golden Eagle II bearing serial # XE08451 confirmed this vehicle's speed to be 50 mph. This radar unit's calibration was checked prior to and after this contact and was found to be working correctly and accurately. I observed this vehicle cross into the oncoming traffic lane over a double yellow center line, and then cross onto the road shoulder, leaving the pavement, in a distance of less than 100 ft of a mile. I pulled in behind the vehicle, and the vehicle swerved off of the roadway, using no turn signal, and into a pull off just before the intersection with Wilson Hill Rd.  
I searched the driver of the vehicle, Christine C. ADAMI, as identified by her NY Driver's License #693058937. When I contacted ADAMI she stated she was driving fast because she had a "doughnut" live on. I advised that ADAMI's eyes were pinpoint and that her hands were shaking. I asked ADAMI to exit the vehicle to complete SF-STC. When I asked ADAMI if she was taking any medications which might limit her ability to complete the SF-STC, she stated she had marijuana in her purse. ADAMI had watery, glassy eyes, vomited twice and indicated 5 clues on Walk and Turn (cannot keep balance during instruction, missed heel to toe, stepped off line, raised arms, improper turn) and 3 clues on the One Leg Stand Test (sway, raises arms, placed foot down). Based on these findings and the totality of the contact, I determined ADAMI to be impaired. Subsequent to arrest, I located approx. 2 grams of suspected marijuana, 2 glass pipes, typically associated with smoking marijuana and containing residue of suspected marijuana, a glass pipe typically associated with smoking crack cocaine in a brown paper bag located in ADAMI's purse. ADAMI was placed under arrest for the following violations: 36 CFR 4.21(d)(3) Unlawful Speed in Excess of the Posted Limit, 36 CFR 4.22(d)(3) Unlawful Operation of a Motor Vehicle, Failure to Maintain Control, 36 CFR 2.35(d)(2) Possession of a Controlled Substance, 36 CFR 4.21(e), PA 118-35, Sec. 260.113, Possession of Drug Paraphernalia, and 36 CFR 4.23(a)(1) Operating a Vehicle Under the Influence of Drugs, Rendering Incapable of Safe Operation.

## STATEMENT OF PROBABLE CAUSE (For issuance of an arrest warrant or summons)

I state that on October 24, 2013 while exercising my duties as a law enforcement officer in the Middle District of Penn.

Within the boundaries of Delaware Water Gap NRA, I received a report that a vehicle was driving erratically south bound on route 209 and had nearly caused several collisions. Dispatch stated the vehicle was a red Toyota bearing NY plate # 11P-6425. I observed a vehicle matching this description south bound on Route 209 at MM12. I observed that this vehicle was traveling at a high rate of speed which I estimated to be 50 mph in the posted 35 mph zone. My vehicle's radar unit, a Kustom Signale Golden Eagle II bearing serial # XE08451 confirmed this vehicle's speed to be 60 mph. The radar unit's calibration was checked prior to and after this incident and was found to be working correctly and accurately. I observed this vehicle cross into the oncoming traffic lane over a double yellow center line, and then cross onto the road shoulder, leaving the pavement, in a distance of less than 100 ft of a mile. I pulled in behind the vehicle, and the vehicle swerved out of the roadway, using no turn signal, and into a pull off just before the intersection with Wilson Hill Rd.

I contacted the driver of the vehicle, Christine C. ADAMI, as identified by her NY Driver's License #693058937. When I contacted ADAMI she stated she was driving fast because she had a "doughnut" tire on. I noticed that ADAMI's eyes were watery and that her hands were shaking. I asked ADAMI to exit the vehicle to complete SFSTs. When I asked ADAMI if she was taking any medication which might impair her ability to complete the SFSTs, she stated she had marijuana in her purse. ADAMI had watery, glassy eyes, constricted pupils and indicated "I don't know" and "I cannot keep balance during instruction, missed heel to toe, stepped off line, raises arms, improper turn" and 3 clues on the One Leg Stand test (sway, raises arms, placed foot down). Based on these findings and the totality of the contact, I determined ADAMI to be impaired. Subsequent to arrest, I collected approx. 2 grams of suspected marijuana, 2 glass pipes typically associated with smoking marijuana and containing residue of suspected marijuana, a glass pipe typically associated with smoking crack cocaine in a brown paper bag located in ADAMI's purse. ADAMI was placed under arrest for the following violations: 36 CFR 4.21(c) Speed in Excess of the Posted Limit; 36 CFR 4.22(b)(3) Unsafe Operation of a Motor Vehicle; Failure to Maintain Control; 36 CFR 2.35(b)(2) Possession of a Controlled Substance; 18 USC 1341; 18 USC 853; 706-113; Possession of Drug Paraphernalia; and 36 CFR 4.23(a)(1) Operating a Vehicle Under the Influence of Drugs, Rendering Incapable of Safe Operation.
